The 100 Club is run all year round on behalf of Cray Wanderers FC. Payment of £8 per month per number must be made by bank standing order. Cheques accepted for full annual amount only of £96, made payable to CWFC MONTHLY DRAW CLUB. To join, applicants must be UK-based citizens and 16 years of age or older. One applicant can only have a maximum of 10 entries but this is subject to change depending on any future increase in members of the 100 Club. Each number will still cost £8 per month. Numbers are issued on a first come, first served basis. Members will retain the same number(s) each month. No numbers can be reserved. 50% of the income generated each month is returned in prizes, with the remainder going to Cray Wanderers Football Club. Draws take place "live" at the last home game of each month during the season, or on a match day soon thereafter in the event of a postponed game. If this is not possible, it will be drawn at a suitable, public venue by a person not associated with the "100 Club", in the presence of members of the CWFC Committee. This is also the case during the summer break. A Tombola method is used for random number selection. There are three monetary prizes, representing 1st, 2nd and 3rd places, and these are calculated on how many numbers are purchased for each draw.

As at 1ST January 2024, the prizes are £150, £100, £50 respectively but this is subject to amendment depending on number of participants in that particular monthly draw. Members are not entered for any draws until the first payment via their standing order, or clearance of cheque for annual amount has been received. At live draws, winners have the option of being paid immediately by cheque or sent a cheque in the post. If the winner advises of their bank details, they can now be paid by Internet Banking. Details of the winners will be notified by subscribed email service and published in match day programmes and on the Official Club Social Media. If the draw has taken place at a "public venue", again winners have the option of being sent a cheque in the post or receive the winnings via Internet Banking if bank details are supplied. Result of all draws will be binding and final and no correspondence will be entered into. The right is reserved to amend or revoke these rules at any time, or to close or suspend the "100 Club" with reasonable notice being given members as appropriate. The right is also reserved to reject applications to join the "100 Club" without a reason being given.
